

# Rehoboth Ministries

Many of you have gathered here today and have the same question, "What is Rehoboth Ministries?" This question I have had to ponder and take into account myself, what precisely is Rehoboth Ministries and how does it differentiate from that which we presume? It is imperative for me to begin by saying what it is not. It is not a Church or an Assembly or aggregation of individuals coming to worship, however, it does involve many Assemblies, Churches, and Congregations which do come together not only to worship but to have a space offered to them...the space to experience freedom.

It is the goal and purpose of Rehoboth Ministries to not only promote freedom within the communities that experience rejection and dejection but also those who are considered outcasts to society. I as an entity have had to receive the mandate and I must operate within the confines of becoming a presence of freedom and deliverance for people where they are regardless to mitigating factors and ideologies that seek to hinder and separate.

In order to do this, it is understood that we must use non-traditional methods of interaction for religious sake, instead, for the sake of developing, establishing, and experiencing relationship we must meet not only people but the needs of the people through resource acquisition and referral, training and skill development, and most of all partner with other entities to enhance the ability of cognitive social interaction for the purpose of function.

Although the vision is one of evolution and of revolution, one thing is clear and that clear thing that we must all take into account concerning Rehoboth Ministries and that is we are here to offer hope to people who have become hopeless due to societal stigma and social manipulation; we are here to support people who have been broken by the pressures and trials of life as the Holy One regenerates those hurting and wounded areas; we are called and anointed to establish relationships with people and to not only lead them into relationship with Jesus but also to offer friendly relationship to those who have yet to experience authenticity; and we are a people of purpose working to build and and revive the Real and Authentic You.

**It's Church...ONLY DIFFERENT!**

**GOD IS LOVE AND LOVE IS FOR EVERYONE!**

It is impossible to love each other without a sense of mutual (equal) worth and respect for each other - Romans 13: 10; I John 4:20

We believe in the teachings of Jesus but WE DO NOT dismiss all other faiths and beliefs as wrong or second to our way of believing. God is greater than any religion, denomination or school of thought.

We believe that God loves you, created you and intended to include ALL of who you are in the community. We strive to create a spiritual home and a safe space that intentionally seeks to include and reflect all of God's people.

All who come to Without Mask are invited to join us in our desire and practice of living in the Gospel of Jesus Christ that both transforms our lives and the lives of those around us.
