# Words to Share

Season's greetings everyone and as stated in our opening video, thank you SO much for taking the time to share this history making moment with us. God has TRULY blessed J. Bass Ministries and True Labourers of Christ over the past few years to accomplish #GREATER, whereof we are EXTREMELY #GRATEFUL.

As we share the wonderful things God has allowed us to do, it is my prayer and hope that you'll be lead to partner with us however God leads you. We're praying for singers from all over the country to join The True Labourers of Christ National Mass Choir. We're also believing God for ministry partners who see what God has blessed J. Bass Ministries to accomplish, believe in the vision, and are willing to sow financially and/or physically to make the vision a reality.

Because God has kept us here for such a time as this, and because He's not doing what He's doing in this season without us, we are #DETERMINED to keep #PRESSING toward #GREATER. Thank you so much for your support, God bless EACH of you, and MUCH love, **J. Bass**

---

Glory to G-d in the Highest, I sincerely would like to take a few moments to simply say thank you to everyone who is reading this souvenir book, those of you who are here as part of this historical and momentous event in the life of T-LOC and those of you who will read this in the immediate or distant future.

These last few years have been trying and sometimes difficult but in all these things, we never changed our mind and we consistently spoke to G-d be the Glory and right now on today, I say, TO G-D BE AL THE GLORY for the marvelous things that He has done in, through, and for us and our lives!

We have ben expecting greater, anticipating better, and believing G-d and we are exceedingly grateful that He has come through and has performed precisely what He said He would do for and with us.

Thank you for being a part of our lives and helping us to filfill His will! **Tanya Alkhalig**

# In loving memory of Lois Marie King, aka Nan.

Congratulations our son, grandson, uncle, nephew, and cousin J. Bass. We love you SO much and we believe in what God has placed in you. We're glad to support what you do for The Lord and we're grateful that God allowed you to be our family. We love you and may God bless you immensely during your 1<sup>st</sup> Annual Revue.

Congratulations to the True Labourers of Christ, aka T-LOC on first hanging in there with J. Bass. We know it's not easy, because he expects a lot, but we know it's worth it and that it will pay off. Keep pressing toward #GREATER and keep your focus on Jesus while you press. Even the sky is not the limit to what God will use you to accomplish, of you just remain faithful. We love you all and God bless.

Selestine Goss, aka Aunt Stiney, Wilma Bass, and all of J. Bass' family.

The reality is that we have not been this way before but we are well on the path that we will see our enemies no more and that G-d will continue to get the glory out of our lives! We are well on way within T-LOC and we will be well to continue to fight the good fight of faith that is set before us as we walk on the path of G-d that He is laying out for us, lighting our way so we dare not stumble!

"It is far past time that we stop hiding our pain and fear, instead, let those things show, for exposure is the only sure way to heal any disease - especially if it is a disease of the soul. If we refuse to expose our issue, we are refusing to deal with our issues, if we refuse to deal with our issues, we are making the conscious decision not to heal from our wounds."

*It has been a VERY busy year. We've hauled our recording equipment up and down the highway, in and out of several churches and homes, and we are ready to help you bring your music to life. Please contact us @ [management@jbassministries.com](mailto:management@jbassministries.com) for your personal recording needs.*

*Just in case you didn't know, recording time, song development, and more is FREE if you are a True Labourer of Christ!*

"Thank you so much for your support of this ministry and concert. We pray that you were blessed and encouraged by what you've seen and heard."

We are praying verse 38 of our purpose scripture, Matthew 9:37-38, that God would send forth His labourers from the North, South, East, and West into His harvest. We believe that there are a harvest of souls who are waiting on The Gospel music God is using us to release, and we'd love for you to join us as we press forward to do so. Our members receive free studio time through J. Bass Ministries Studios during our recording season, which is perfect for songwriters and soloist.

Please contact our member coordinators at [tloc@jbassministries.com](mailto:tloc@jbassministries.com) for more information on how you can become a T-LOC. We look forward to serving and singing with you. God bless and MUCH love.
